CAPITAL CAMPAIGN TO BEGIN!

After much consultation, discussion and prayer with parish leadership, we are excited to announce the inauguration of a capital campaign for the strengthening of our parish! In the next few months, all parishioners will receive information about our *"Becoming Towers of Strength"* campaign from the pulpit, through the mail, in the bulletin, at Campaign Receptions (see details below) and from fellow parishioners of Saints Peter & Paul Parish.

This Campaign is an opportunity for all Saints Peter & Paul families to take ownership of the strengthening and restoration of our church. All parishioners will be asked to donate their prayers, time, talents, and treasure in order to ensure a successful project.

PLEASE WATCH YOUR MAIL!

In the next few weeks, all registered parishioners of Saints Peter & Paul will be mailed an invitation to attend one of a series of Campaign Receptions. Receptions are social and informative events that will allow Fr. John and members of the Campaign Committee to present the specifics of our seismic retrofitting and restoration project.

If you are not a registered parishioner please take a registration sheet found in the back of church or stop by the parish office so that you may be included in this important campaign.

Receptions are your opportunity to learn first hand about the campaign, ask questions, pick up your campaign materials and meet with fellow parishioners. This campaign is vital to the life of our parish community, and the most important thing you can do during this campaign is to join us at a Reception.

When you receive your invitation, please be sure to RSVP as soon as possible. If you are unable to attend the reception you have been invited to, we ask that you call the campaign office for an alternate date.

We look forward to seeing you there!

CAMPAIGN OFFICE OPENS

The Campaign Office is officially open. If you have any questions about the campaign, please contact Jackie Perry in the Campaign Office located in the Rectory at (415) 421-0809, or stop by any time.

We ask that all Saints Peter & Paul parishioners pray for the success of this endeavor, and that everyone give their fullest attention and cooperation to the efforts of this important campaign.
