## OVER 91 PARISHIONERS SIGNED UP DURING RECRUITMENT WEEKEND!

Last weekend was Recruitment Weekend for our *Becoming Towers of Strength* Campaign. We asked all parishioners to consider giving some of their time and talent over the next few months to assist the Campaign Committee in reaching out to all our parishioners to spread the good word about our campaign.

The *Becoming Towers of Strength* Campaign Committee is grateful to the more than **72 households (over 91 individuals) who volunteered** to help with the campaign! This is an amazing show of community and we are thankful for the dedication our parish community is showing to the success of the campaign.

All parishioners who filled out a volunteer card last weekend will be receiving more information during the next few weeks. Thank you again to those that are sacrificing their time for Saints Peter & Paul Parish. There is still time to become a campaign volunteer. **Extra Volunteer Cards are available in the back of church. Please complete one and place in the offertory collection or drop it by the parish office.**

## CAMPAIGN RECEPTIONS IN FULL SWING

Our campaign receptions have begun and will continue into this coming week. We encourage everyone to try to make it out to one of the receptions to learn more about the campaign and get their questions answered.
