

NEXT WEEKEND IS COMMITMENT WEEKEND!

Next weekend, June 4th & 5th is Commitment Weekend for our Capital Campaign. This is the weekend during which all parishioners who have yet to respond to the campaign are asked to bring their pledges card to Mass. To date we have received 80 pledges and gifts totally just over \$380,000! Thank you to everyone who has responded to the campaign. We are off to a great start, but we will need the support of each parishioner in order to be successful.

All currently registered parishioners who did not attend a reception were mailed a campaign packet this past week. If you did not receive a packet and would like more information about the campaign, there are campaign packets available in the back of the church.

Please take time to review the campaign information and make yours a prayerful and educated decision about what you can do to support the campaign.

Those who do not submit a response by Commitment Weekend will be contacted by one of our dedicated volunteers.

CAMPAIGN RECEPTIONS COMPLETED!

Our campaign receptions have come to a close with over 111 families in attendance! The Campaign Committee would like to thank all those who attended a reception for their interest and support.
